To whom it may concern,

I am pleased to write this letter of recommendation for Yelisey Moroz who provided interpreting services for me and my colleagues in 2013.

I have worked with Yelisey for about one month during a project implemented in Donetsk, Ukraine. He helped me arrange and interpreted during the meetings and interviews with local small and medium enterprises, the governor of Donetsk region, and the Head of Donetsk Regional Council.

I consider Yelisey a highly trained professional with an outstanding level of English, Russian and Ukrainian. Also, he has a great attitude towards work and is definitely a perfect partner. I strongly recommend him to everybody since he has expertise in many fields.

Sincerely,

Mihai Petrut
